Dear Mr. Kesselman: Thanks for yours
of the 10th.

I don't buy coins-to re-sell. Am glad
to read what you say, about the 1856-S
large S, \$3. I bot one ~~last~~ year, a nice
coin, at \$246.50. So I am not, too "far
to the left".

Guess it depends--on what one is lookin
g for--and the "experience" one has--as
to which is, the rarest. The Kagins--in
their catalogues--say the small S is
the rarest. Me--I don't really know.

I have a few small mintage pieces,
thankgoodness--an 1863^P \$10 for example
--A.U., plenty of mint lustre--cost me
\$130.50--a few years back. An 1865 P
\$2.50 took me a while--to "take in".
Do not plan to sell. I took in an 1869
\$10 in Nov., --X.F-A.U., mint lustre
--\$350. Many more struck than the 1867
\$10. If the holder of the 1867 \$10,
will take around \$275 that the A. Kosof
f piece sold at--I am interested. Maybe
you can trade something--for it.

Sincerely yours, *James Lindsay*

Dear Stan:

Your guess is wrong on the 1859 Eagle. I bought it some time ago from Union Stamp. ^(for \$55.00) The 1868 Eagle was forced on me by Ed Shapiro together with a dozen 1847 & 49 Eagles.

I knock off a few more \$, if you can sell it as a standly to some body. — I don't want to advertise at this time because I want to travel this Spring abroad and have no body to answer my mail. —

On last Sunday's Coin Show at the H. Hudson Hotel I picked up a nice 1859 Half Eagle - AU or make it very conservative XF AU.

I sold one to Usher for ^{8 sharp} 180.00 on approval basis may be it was a tick better, but not any sharper. Can you use it for \$115.00?

As soon as I can pick up the
\$2½ - 1842-C, I shall send it
to you.

Regards

Walter Wessel.

I am getting in some corals from
abroad; just got the import

Dear Stan:

Just received your note yestereay, the 28th. Was nice to hear from you, guess you are back in school!

Stan, I am sorry I sold the \$50.s a week ago today, to a dealer for his offer of \$165.00 for the pair. (He sold one of them for \$110.00 before I got out of his shop)

Stan, I have two Beautiful 20 Quetzales Guatemalan pieces (gold) Unc. would you be interested in either of them? (I may have ask you about one I had a couple years ago.) I want \$165.00 each of them. Saw them sell in Cleveland for \$225.00 for one and 250.00 for the other. Neither of the two that brought this kind of money was as nice as the two I have - although he called them (the two that sold in Cleveland) B.U. and I call mine Unc. If his were B.U. these are GEM Gems , but I call them Unc. for they are like \$20.00 gold pieces I have never seen any that were perfect - that is without a few light scratches or rubbing. I have them priced at \$225.00 but can sell them for \$165.00 each if you know anyone you can make any money off of for them. I hardly ever sell anything to a collector - for there are none here that collect good gold -just junk and rolla and bags! I sold the last 20 Quetzales piece I had in November for \$200.00 to a Dealer. Or I should say traded it to him for some gold dollars - but I got \$200.00 for it. I can hardly imagine it but he said he sold it for \$285.00 to a Dr. He ask me to get him another one - that is why I have these two - I got one for him (and one for a fellow on the west coast) and wrote to him the other day and his wife said he is in the Hospital and not expected to live - and has been in there for almost a month and that he was out of business for good! So I'll have to find someone else that wants them. I called the fellow on the west coast last night and he wants to give me \$162.50 now but told me he would give 175.00 to get him another like these (I sold him one before, for his offer of a \$225.00/and \$25.00 cash) ~~*****~~. Now he wants

to cut back on his deal and offer me less - which I will not take. I'll take less from someone else but not from him, (for he had me buy him one for a given price) Of course he does not know that. I paid \$164.00 each for them so I don't want to take any less than \$165. for them, and at least get my postage for them, above the cost. Can you use one or both of them?

Haven't put anything into my collection since I wrote you last, that I can think of. Really can't afford it now. But hope I can by the first of March.

Can you use an 1846-D \$2.50 Gold piece in EF-AU for \$178.00 and make any money off of it? That is the least he will take for it cash or trade. And I would not want to get it unless you were going to take it - I can't afford it now. Although I'd like to have it - I do not have it. I do have the \$5.00 piece of that date & mint. He has it marked (and is asking, I know for I heard him price it to a customer) \$240.00. He gives me special prices, for I have gotten him some good coins that he makes money off of. I had another offered to me (the same date & mint) as V.F. that I did not think was any better than V.G. and he wanted \$225.00 for it, after he had come down from \$265.00, I think it was - I wouldn't have given him \$50.00 for it. Can you use it? (if you can I can get it for you next week - he is away from his place this week-end.) I said can you use it - after telling you about the poor one - I meant can you use the nice one at \$178.00???

Would trade the two Guatemalan 20 Quetzales, for your 1859-D gold Dollar, since I have them paid for - if you want to trade for them.

Sorry that you did not get the two \$50.00 bills. I'd have rather you had them - and made the money off of them. They were nice. However I waited over 5 weeks and didn't hear anything from you about them so thought you would not want them. Can get you ^{US} Red seal \$50.00 with Serial number J6412A - Friedburg # 1021 - in V.F. condition or may be better & it is crisp yet, although not new it is a nice bill/ & \$25.00 for your 1871 & 1872 Gold dollars? I think I can Trade him some duplicates where I could trade for that much difference. The \$50.00 bill and \$25.00 difference for the two gold dollars?

Dear Stan:

Thanks for your letter of the 24th. It just arrived. It is odd that it should take 6 days to arrive and at other times I hear, or receive your letters, in two days.

I have an XF (called AU) 1854-D dollar so do not need another.

I do need the 1871 & 1872 gold dollars. Will trade the 1866 and the 1868 for them, which will give you a little margin to the good on the trade. I'd rather have the 1866 and the 1868 if I did not already have them. One sees a lot more of the 1871 & 1872 for sale than the two I have. Is it a trade?

Did you sell your 1798 \$2.50 Piece? How much do you ask for it? (Will not hurt me to wish for it, will it?)

After I started this letter a friend of mine, or an acquaintance, came by and tried to sell me some stock in a new company, owned by a groupe that started an Insurance Company about 14 months ago. I bought some stock in the Ins. Co. and it went from \$5.00 to 13.00 in about 8 months. I should have sold my entire collection and put it in it, Huh? If I had I'd have lost it. I failed to say I did not buy the stock for myself, I bought it for my daughter - to put up something for her Education. I hope that it will put her through school.

Well, it is time to go after Mary Elizabeth, so I'll go for this time.

Sincerely,

Dear Stan,

Thanks for your letter of the 26th ultimo about the gold dollars and 1891-CC double eagle. You may consider my bid on the gold dollars at \$30.00 each for V.F. or better specimens good until cancelled for any quantity up to 100 coins. I am just giving you leeway to work.

I bought my last E.F. 1891-CC double eagle from an auction at \$275 over a year ago and they were better then for selling. The coin was infact an AU which helped my sale somewhat. If you should get any of the rarer double eagles in strictly unc., I would be more interested in same. I just bought a V.F. 1891-CC double eagle at \$2.25 or rather \$225 which is more than I would really care to pay for such a coin, but they are supposed to be scarce. This will be only the tenth specimen I have owned.

Sincerely yours,

Dear Mr. Kesselman,

The three coins arrived today okay.

I believe you hit me a little heavy on your \$20⁰⁰ extra - make it \$14⁰⁰ to you and I'll send you a check for the fourteen if accepted.

You say my grading is okay on the 1840-D 2 1/2 - that's great! I think you are somewhat over graded on the two of the three you sent me now! The 1882-2 1/2 is okay. But the 10⁰⁰ 1874CC you have F-VF and it's a lower grade than the 66-S 2 1/2 that you have graded as fine! To me the 2 1/2 66-S is a light Fine and the 74-CC 10⁰⁰ is VG-F. This is all why I asked for the difference to the \$14⁰⁰ in return to you instead of the \$20⁰⁰.

I'm a easy guy to get along with, I think so anyhow (!) and like to trade. I do hope the \$14⁰⁰ difference to you is acceptable.
(over)

-2-

If so - the 1840-0 2 1/2 is yours and I'll send you a \$14⁰⁰ check in return upon hearing from you.

If you have a "big" customer for some more gold, let me know. I have another deal that runs \$1,500⁰⁰ in trade.

Hope all is well & okay.

Dear Stan,

Received your letter of 4/15/65 saying okay
on the \$1400, the check is enclosed here for
that amount.

I try to get along with everyone, of course you
can't win all the time! Maybe between us we
can move a lot of material.

This big gold job I have is a Louisiana Purchase
Gold Dollar, 1903, dated— issued in the Presentation
Certificate. Have you ever seen one? If you have,
you know what I mean, if not, I'll have to
explain here. The certificate is mounted in a
black border frame, about 14" x 10". The gold
dollar appears to be proof and is mounted
in the center, "tied in" with silk cord and
ends wrapped sealed with the Philadelphia mint
impression in the wrap. The Certificate is hand
signed by the Chief Clerk of the U.S. Mint.
The wording on the certificate is as follows:

"This is to Certify that the accompanying
La. Pur. Exp. Gold Dollar (← this is spelled out) struck
at the mint of the United States [the coin is
over]

here] Philadelphia in accordance with ~~the~~ an
act of Congress approved June 28th 1902, is one of
the first one hundred impressions from the Jefferson
series. Signed Phineas B. Freed, Carver. J. H.
Landis, Supt. " (end) - This is hand written
25 on the reverse.

Quite the piece, eh? Two Johnson had one
for sale (not this one) about a year or half ago.
He asked 1,500⁰⁰. I traded for this here in town,
at the same figure - we used that as the
trade price.

If you are interested, Stan, let me know.
I'd trade 1,500⁰⁰ again to make it so. You
sell it for me in cash, I'll give you 10% Comm.
If you can trade it off for me - trade it
1,700⁰⁰ and you keep 200 in comm. Maybe
one of your customers can use it.

all for now, I need other material, will
let you know later.

Best regards,

Jack Lees

Thanks for your letter and check of June 2.

Still have not heard from my friend. Guess he is on a trip.

Let me know what you have in rare gold , all series. May be I can sell it for you, and come out with enough to get me a rare gold dollar! I surely don't have the money to lay out for any at this time. I'd like to get them both!

The fellow that had the 1877-C6 \$10.00 gold piece will not sell it again. That is the third time he has done me that way on that coin. I am through with him!

Have not done anything on coins since I wrote you last. Still waiting on the fellow to come back.

A friend just called and is coming over so I'd better go for this time. Thanks for the card about the Gold dollars. Hope that I can wind up with them!

Sincerely,

Dear Stan:

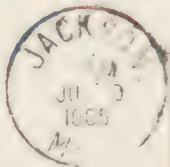

Your offer is ok on the twenties for the 1861-c \$5. However, the grading may not be more than vf-ef. Send your coins on and if you are not pleased with the \$5 you may return within ten days or no deal. It is a nice coin~~x~~, however, and I feel fairly certain that you will be pleased. Some people expect ef to be just about unc. though, so thought would advise you that it is not au. Thanks.

Dear Sir;

I received your letter stating that you are sending me on approval
(1) 1908 AU-NU No Motto \$10 gold piece. However as yet I have not received
the parcel. If you sent the coin out at the same time as your letter, which
I received several days ago, it would appear that the coin may have been
lost in transit. Therefore it might be wise to send out a tracer on the
parcel at this time and you will save a great deal of time if this has in
fact occurred. I have had sufficient problems with cross country mailing to
feel that this letter is warranted at this time, and if the coin arrives
within the next few days I will immediately notify you, sending along my
check if the coin is satisfactory.

Dear Stan,

Thanks for your letter and offer to trade of the 5th instant. I just returned home today from Hawaii and thus the delay in replying.

Your offer to trade is a little on the rough side, but if you are willing to sell your coin for \$625, you can send it along since I'd like to show it to my client. He is very interested, but he is fussy and I would hate to put such a piece into stock.

Don't forget me on small gold dollars at \$30 each for VF or better.

Sincerely yours,

P.S. I leave on Thursday morning for the L.A. show at the Statler Hotel, so if you send me the coin, you might send it to the Statler where I'll be until Saturday night or Sunday morning. Otherwise, send it to me in San Mateo.

Fives, I don't remember the condition of some as they are in my lock box, 1843o, 1844o 1845D, 1854D, 1855s L.S, 1880 cc, 1882cc, 1894o, 1864 XF, 1874, F. Tens, 47o, 48o, 51o, 1881o. If you are interested in any of them will send you more detailed information.

Dood to hear from you again,

Dear Stan:

Enclosed we are sending four lots that your bids were successful on, the other three lots you bid on, went for higher prices.

The reason for this letter is as follows: as you will note we sent on the 1881 gold \$2.50 at \$330.00 instead of \$340.00 the amount you bid. We had bids from \$225.00 to \$325.00, with several at three hundred. As your bid of \$340.00 was highest we awarded the coin to you. However we cut your bid to \$330.00, as is our policy whenever possible. We would very much like to have you look the coin over and if is not satisfactory we would like you to air-mail, special delivery, register this coin back to us. We can send it on to the second high bidder, a west coast dealer. We will prepay your costs of returning if this coin doesn't suit you.

So as not to delay us in sending out other lots awarded to this dealer with the 1881 \$2.50, we will have to have your decision as quickly as possible. So, as a favor can you do this?

Thanking you and trust all lots sent prove satisfactory.

Very sincerely,

Ted Rogers

Dear Stan:

Thank you for your nice letter cointaining a fine list of scarce coins. There are a number of dates I would love to have but I am out of cash now. However I do have an 1854-D 3 Dol. gold EF that I would ~~co~~ trade if you were interested. I bought it from Leo Young for \$1750 and I note a VF brought \$2350.00 at the October 30 1964 Stacks auction. It is the only D mint 3 Dol. and also essentail for a D type gold set as well as a mint mark 3 Dol. type set. Anyhow mine is nicer than the Stacks VF (photo)

If you want to trade, the following dates interest me:

1827 2 $\frac{1}{2}$ gold F	\$425 (need most)
1881 3 Dol.	\$590
1871 3 Dol.	\$250
1883-0 10 Dol	\$825
1834 5D. Motto	\$1500 crosslet 4

I also have an 1873-CC dollar VG which cost me \$425
It is quite worn but no nicks or mars

Let me know if you want to trade

Sincerely, *Dale*

Dear Stan:

So many things have happened since I last wrote to you that I'll not try to tell you all of them.

Thanks for the list of dollars, Gold Dollars. I have them all but one - and right now I am not going to try to get it. Infact I might sell you my set, if there is enough incentive to do so. Have a book of gold that I would have to pay over \$20,000. to replace, I am sure. That I'd sell right now for \$17,500.00. The book contains all but 11 of the gold dollars. 24 Gold 2½ from 1834 to 1897 and three others, two Indian and one 1926 Comm. And a complete set of Indian 2½. Ten 5.00 gold pieces from 1834 to 1908, all mint marks except 1834, 35, 36. And 13 \$5.00 gold pieces, including an 1850 Proof, 1854-D with ^{mint} luster. There is a Proof or so in the gold dollars. I'd want cash! Do you have a customer that you think you could unload the whole book to? And make yourself a \$1000.00 or so over my \$17,500. ???

Would you be interested in a 1926 - 20 Quetzales, bought as Unc., (don't have it here to examine it). gold piece for \$100.00 and your 1858-S Gold dollar? I have \$25.00 in this 20.2. but Will trade with you to get a coin I do not have, and the 1853-S I do not have.

Well, it is time to go after my Daughter, so will close for this time.

Sincerely,

Brooking

Mr. Stanley Kesselman
Dear Sir :

Thanks for your letter of
Dec.13.

We already have some of the coins
you list but will still accept these if
terms are O.K. These golds seem to be
offered more that others.

If agreeable to you ; we can
offer \$900.00 for the seven coins listed.
Five of the 1877 and the two 1895-0 in
both grades.

If satisfactory, send them to us
and our check will be sent at once,.(after
inspection) I suppose our offer should be
limited to a week or ten days. Thank you.

One thing I would mention : We
do not want Cleaned or nicked coins. and
of course grading must be right.

We would pay \$140.00 for 1877
Indian head cent in Fine condition, if
you have one for sale.

Send me on approval the 1875-CC XF Eagle
priced at \$210 and I'll have a look at
it.

You are exactly right about the Stack-
Wolfson sale on account of I was the
purchaser.

Mr. Stan Kesselman

Dear Mr. Kesselman :

Received your letter regarding the 1879-0.
Double Eagle in Extremely Fine-About Unc. condition at an asking
price of \$ 800.00 .

All I want to know if the 1879-0. Double Eagle is
a truly CHOICE EF-AU specimen as you claim it to be, but most of all
is the date struck up completely and not weak in figures as some of
them have the figure 8 rather incomplete and the same goes for the
0. mint mark.

If it is an absolutely CHOICE EF-AU specimen
with perfect date and mint mark, then I do want it and in exchange
for it I will trade you my real honest-to-goodness beauties of
the 1882 and 1885 Quarter Eagles. The 1885 specimen comes with
a PROOF-LIKE surface on both sides.

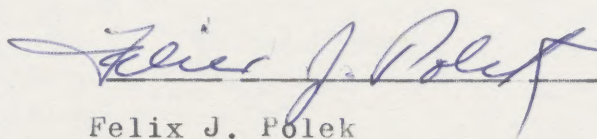

I notice that the 1885 Quarter Eagle in AU
condition at the Kosoff sale had sold for \$ 725.00 and so my
truly BU and CHOICE specimen should be easily worth \$ 850.00.

I would though appreciate for a change your
sending out to me for me to see that 1879-0. Double Eagle, for in
the past I had obliged you by sending you my gold coins in advance
before I got to see your gold pieces. I think I am entitled to
this privilege the same as you wish to have.

I can assure you a complete 100% satisfaction
as far as my pair of Quarter Eagles in concerned. If we settle
this matter of the 1879-0. Double Eagle, then my next Double Eagle
that I will want you to get me will be the 1860-0. Double Eagle.

Will await your full details and may I thank you
for the Christmas greetings and if I do not hear from you before
the 1st of January., then may I wish you the best of 1966.

Yours very truly,

Felix J. Polek
